All'interno delle casse, le varie grafiche del prodotto sono distribuite in modo casuale, senza possibilità di scelta tra i pattern disponibili. Eventuali piccoli disallineamenti nella continuità grafica fra una piastrella e l'altra, sono una caratteristica intrinseca di questa tipologia di prodotto.

The various graphics of the product are distributed randomly in the boxes, without the possibility of choosing between the available patterns. Any small misalignments in the continuity between different tiles are normal for this type of product.
