Application

These general conditions are applied to all contracts between Lithos Design and the Customer, and are an essential part of the supply contract. Any change to these conditions will not cause any effect towards Lithos Design S.r.l. if it is not approved by written declaration by the latter. These general sales conditions prevail on possible purchase conditions of the Customer, unless otherwise established in writing by Lithos Design S.r.l.

Prices

Unless otherwise established in writing, the delivery is to be intended ex-works our premises in Chiampo (VI). Out-of-standard packaging, VAT, and any other obligations connected with the execution of the contract are to be totally charged to the Customer, in addition to the price. This price list might be subject to changes as a consequence of raw materials cost increases.

Orders

Orders are to be submitted in writing. An order is valid only when Lithos Design S.r.l. issues the related written order confirmation, which is meant to be totally accepted by the Customer, unless Lithos Design S.r.l. receives any related communication within three (3) days after the issue date. Verbal or telephone agreements, of whatever kind, will be considered as actual orders only if confirmed in writing by Lithos Design S.r.l.. In carrying out the order and the related invoicing Lithos Design S.r.l. will refer exclusively to prices, measurements, quantities and finishes reported on the order confirmation.

Lithos Design S.r.l. reserves the right to withdraw all or part of the order in the event of force majeure or situations that materially alter the state of the market and/or currency. Any cancellations or amendments to the contract by the Customer will not take effect unless previously authorised or subsequently accepted in writing by Lithos Design S.r.l.
