production artisanal

material impasto di argille in gres porcellanato trafilato
porcelain clays artisanally extruded

features questo materiale viene realizzato artigianalmente per cui le variazioni di colore, di tonalità e di dimensioni sono qualità intrinseche del manufatto.
Per facilitare le operazioni di stuccatura ogni pezzo è protetto da un film in silicone removibile alla fine del processo.
Colours, shade and size variations are intrinsic properties of this hand made product.
In order to make grouting easier, a protective silicone film has been applied on each piece.
Remove it before the final cleansing.

profilo in salice verniciato / painted willow profile

per bloc / for bloc

material Profilo lineare e terminale di salice verniciato (adatto anche per uso esterno). Il profilo terminale ha un'estremità sagomata ed un lato rimovibile per facilitare il montaggio della chiusura a soffitto.

Linear and top painted willow profile (also suitable for outdoor use). The top one has one shaped end to make the clamping easier.

use Prodotto adatto sia per spazi residenziali che commerciali per la costruzione di pareti di altezza massima 4mt. Per ottenere un risultato estetico ottimale, si consiglia di montare Bloc utilizzando il profilo in legno. Per la chiusura a soffitto è previsto un profilo "terminale" con cornice smontabile. Bloc Natural è idoneo per ambienti interni ed esterni conformi alla norma UNI EN 772-22 contrassegnati "F1- esposizione moderata". Bloc Matt e Glossy sono adatti solo per interni.

This product is suitable for both residential and commercial areas, to be installed in walls with a maximum height of 4mt. In order to achieve an optimal aesthetic outcome we advise to install Bloc using our wooden profile. A top profile with removable sides is provided for ceiling fixing. Bloc Natural is suitable for indoor and outdoor areas complying with UNI EN 772-22 marked "F1- moderate exposure". Bloc Matt and Glossy are suitable for indoor only.

mutina sigillante / mutina adhesive

material sigillante organico eco-compatibile esente da solventi prodotto da Kerakoll in esclusiva per Mutina
eco-friendly neutral silane adhesive with reduced solvent content produced from Kerakoll exclusively for Mutina.

features Mutina sigillante sviluppa un'elevata adesione su tutti i materiali senza l'utilizzo di primer e un'elasticità permanente su superfici assorbenti e inassorbenti

Mutina adhesive develops a high level of adhesion on all materials without the use of primers and permanent elasticity on absorbent and non-absorbent surfaces.

use In interno, esterno e per sigillature di elementi costruttivi

suitable for indoor and outdoor use, it gives waterproof sealing of construction elements.

mutina sigillante / mutina adhesive

material sigillante organico eco-compatibile esente da solventi prodotto da Kerakoll in esclusiva per Mutina
eco-friendly neutral silane adhesive with reduced solvent content produced from Kerakoll exclusively for Mutina.

features Mutina sigillante sviluppa un'elevata adesione su tutti i materiali senza l'utilizzo di primer e un'elasticità permanente su superfici assorbenti e inassorbenti
Mutina adhesive develops a high level of adhesion on all materials without the use of primers and permanent elasticity on absorbent and non-absorbent surfaces.

use In interno, esterno e per sigillature di elementi costruttivi
suitable for indoor and outdoor use, it gives waterproof sealing of construction elements.

acquisto minimo una confezione (290 ml) - minimum purchase 1 pack (290 ml)

profilo in salice verniciato / painted willow profile per hives / for hives

material Profilo lineare e terminale di salice verniciato (adatto anche per uso esterno). Il profilo terminale ha un'estremità sagomata ed un lato rimovibile per facilitare il montaggio della chiusura a soffitto.
Linear and top painted willow profile (also suitable for outdoor use). The top one has one shaped end to make the clamping easier.

use Prodotto adatto sia per spazi residenziali che commerciali per la costruzione di pareti di altezza massima 4mt. Per ottenere un risultato estetico ottimale, si consiglia di montare Hives utilizzando il profilo in legno. Per la chiusura a soffitto è previsto un profilo "terminale" con cornice smontabile. Prodotto adatto per interni ed esterni secondo norma UNI EN 722-22 con marcatura "F1 - esposizione moderata".
This product is suitable for both residential and commercial areas, to be installed in walls with a maximum height of 4mt. In order to achieve an optimal aesthetic outcome we advise to install Hives using our wooden profile. A top profile with removable sides is provided for ceiling fixing. The product is suitable for indoor and outdoor areas complying with UNI EN 722-22 marked "F1 - moderate exposure".

profilo in salice verniciato in tono / painted willow profile per mistral / for mistral

material Profilo lineare e terminale di salice verniciato (adatto anche per uso esterno). Il profilo terminale ha un'estremità sagomata ed un lato rimovibile per facilitare il montaggio della chiusura a soffitto.

Linear and top painted willow profile (also suitable for outdoor use). The top one has one shaped end to make the clamping easier.

use Prodotto adatto sia per spazi residenziali che commerciali, purchè installato con profili in salice verniciati in tono. Superfici massime consentite: 2mt x 3mt o 3mt x 2mt. Per la chiusura a soffitto è previsto un profilo terminale con cornice smontabile. Per ottenere un risultato estetico funzionale e ottimale, si consiglia di non tagliare i pezzi ma di montare questi elementi interi, adattando di conseguenza il profilo in legno di salice. Prodotto adatto per interni ed esterni secondo norma UNI EN 722-22 con marcatura "F2-esposizione severa". This product is suitable for both residential and commercial areas to be installed with painted willow profile with maximum surfaces of 2mt x 3mt or 3mt x 2mt. A top profile with removable sides is provided for ceiling fixing. In order to achieve an optimal aesthetic outcome we advise to avoid cutting the pieces and install them whole adjusting the wooden willow profile accordingly. This product is suitable for indoor and outdoor areas complying with UNI EN 722-22 marked "F2-extreme exposure".

mutina sigillante / mutina adhesive

material sigillante organico eco-compatibile esente da solventi prodotto da Kerakoll in esclusiva per Mutina
eco-friendly neutral silane adhesive with reduced solvent content produced from Kerakoll exclusively for Mutina.

features Mutina sigillante sviluppa un’elevata adesione su tutti i materiali senza l’utilizzo di primer e un’elasticità permanente su superfici assorbenti e inassorbenti
Mutina adhesive develops a high level of adhesion on all materials without the use of primers and permanent elasticity on absorbent and non-absorbent surfaces.

use in interno, esterno e per sigillature di elementi costruttivi
uitable for indoor and outdoor use, it gives waterproof sealing of construction elements.

mutina stucchi - mutina grouts

design	Mutina – 2012
production	industrial
material	stucco cementizio prodotto da Kerakoll in esclusiva per Mutina e declinato nelle stesse nuances cromatiche delle collezioni cement-based grout produced exclusively for Mutina by Kerakoll, available in the same shades as the collections.
features	stucco porcellanato fine professionale monocomponente a tecnologia microgranulare, elevata durezza, ridotto assorbimento d'acqua. Idoneo per la stuccatura di fughe ad alta resistenza da 0 a 5 mm, a parete e pavimento, di tutti i tipi, grès porcellanato e mosaico vetroso. - professional-quality, fine, single-component porcelain grout made with micro granular technology; offers superior hardness and low water absorption. Suitable for high strength grouting of 0 to 5 mm wide joints on all types of walls or floors, porcelain stoneware and glass mosaics.
use	pavimenti e pareti, interni ed esterni, ad uso civile, commerciale, industriale e per l'arredo urbano, in ambienti a traffico intenso, piscine, anche in zone soggette a sbalzi termici e gelo. - Indoor or outdoor floors and walls, in the home, for commercial and industrial applications or street furniture, in environments subject to heavy use, swimming pools, even areas subject to temperature changes and frost.
do not use	per fughe di larghezza superiore a 5 mm; nei pavimenti e rivestimenti in cui siano richieste specifiche resistenze chimiche, totale inassorbibilità all'acqua; per il riempimento di giunti elastici di dilatazione o frazionamento; su sottofondi ad elevata deformabilità, non perfettamente asciutti e soggetti a risalite di umidità. - for joints wider than 5 mm; for floors or walls demanding specific technical specifications including resistance to chemicals or total imperviousness; for filling flexible expansion joints or partition joints; on substrates subject to warping that are not perfectly dry or are subject to rising damp.

acquisto minimo 1 confezione (5 kg) - minimum purchase 1 pack (5 kg)

CONDIZIONI GENERALI DI VENDITA

GENERALITÀ

1. Le presenti condizioni generali costituiscono parte integrante di tutti i contratti di vendita dei quali sia parte la Ceramiche Mutina S.p.a.
2. Eventuali modifiche, aggiunte o varianti avranno efficacia solamente se approvate per iscritto
3. Nessuna efficacia viene riconosciuta ad eventuali condizioni generali di contratto del compratore
4. Misure, pesi, illustrazioni, descrizioni, disegni e caratteristiche indicati nel catalogo debbono intendersi indicativi.
Le differenze di tonalità e le imperfezioni volute fra i fondi ed i suoi corredi costituiscono una caratteristica positiva della produzione artistica.
La tabella calibri indica le misure reali del prodotto nelle collezioni in cui è riportata
5. Il contratto di compravendita si considera concluso nel momento in cui il venditore confermi per iscritto una proposta d'ordine ricevuta dal compratore o nel momento in cui – entro il termine di consegna indicato nella proposta – consegna al venditore la merce ordinata.

ORDINI/CONSEGNE

6. Il venditore si riserva espressamente la facoltà di poter eseguire consegne parziali a fronte di ciascun ordine
Il compratore non può rifiutare una consegna che rappresenti esecuzione parziale dell'ordine
7. La consegna si intende eseguita presso la sede del venditore con la consegna delle merci al primo trasportatore perché le faccia pervenire al compratore.
I rischi saranno trasferiti al compratore a partire dalla consegna delle merci al primo trasportatore per l'invio al compratore.
8. I termini di consegna sono solamente indicativi.
Il venditore si impegna a consegnare le merci in un termine ragionevole a partire dalla conclusione del contratto.
Il termine si considera rispettato anche con la consegna soltanto di una parte del materiale ordinato.
9. Qualora il compratore non provveda tramite trasportatore al ritiro della merce entro il termine concordato o al massimo entro 15 giorni dalla messa a disposizione della merce, il venditore si riterrà liberato da ogni obbligo di consegna e potrà diversamente disporre della merce.

PAGAMENTI/PREZZI

10. Per la fatturazione valgono i prezzi di listino in vigore al momento della conclusione del contratto.
Il preventivo non costituisce dichiarazione contrattuale.
11. Nel caso di ritardo nel pagamento totale od anche parziale di una fattura il venditore, salvi tutti gli altri suoi diritti, avrà facoltà di sospendere le ulteriori consegne anche se queste fossero dovute in dipendenza di altri contratti, e di pretendere l'immediato ed intero pagamento di tutto il materiale ordinato o di averlo in altro modo garantito.
12. Sui ritardati pagamenti decorrerà ad ogni modo, senza pregiudizio di ogni altra azione, l'interesse moratorio nella misura di legge.

RISERVA DI PROPRIETÀ

13. Il diritto di proprietà della merce è trasferito all'acquirente soltanto al saldo integrale del prezzo dell'intera compravendita, maggiorati gli eventuali interessi moratori maturati.
Il compratore si obbliga a non vendere il materiale non pagato e a tenerlo a disposizione del venditore.

GARANZIA

14. Il compratore decade dal diritto alla garanzia se non denuncia i vizi al venditore per iscritto entro 8 giorni a partire dal giorno di ricezione del materiale.
Le contestazioni per merce mancante e per merce fornita in difformità a quanto convenuto devono essere sollevate all'atto del ricevimento.
Il compratore perde il diritto di far valere un eventuale vizio o difetto della merce quando nella denuncia non specifica esattamente la natura del vizio o difetto o se non dà al venditore la possibilità di esaminare o far esaminare da una persona incaricata la merce.
Dopo la messa in opera, la trasformazione o altra modificazione, il compratore perde il diritto di far valere vizi o difetti della merce.
La conservazione provvisoria della merce consegnata viziata o non conforme al contratto avviene a costi e rischio del compratore.
Nessun vizio potrà essere fatto valere al fine di evitare o ritardare il pagamento dovuto.

DIRITTI DI PROPRIETÀ INTELLETTUALE

15. Salvo specifica autorizzazione da richiedersi volta per volta, il compratore non potrà utilizzare sui propri cataloghi, listini, siti internet, social network o stand fieristici il marchio "Mutina".
16. Salvo specifica autorizzazione da richiedersi volta per volta, il compratore non potrà utilizzare sui propri cataloghi, listini, siti internet, social network o stand fieristici alcuna foto o immagine ripresa dal catalogo o dal sito internet del venditore o comunque in titolarità di Ceramiche Mutina S.p.a..
17. L'autorizzazione al venditore dovrà essere richiesta di volta in volta con specifica indicazione del segno, della foto o dell'immagine che si intende utilizzare, nonché dello specifico contesto di tale utilizzo.
18. Al fine di tutelare il prestigio e la notorietà del marchio "Mutina", il compratore si obbliga a non rivendere la merce acquistata attraverso il canale di vendita online, né a rivendere la merce acquistata a prezzi sottocosto o a rivenditori di partite in saldo.

PRIVACY

19. Art. 13 D.Lgs 196/2003 Ceramiche Mutina S.p.a. è in possesso dei dati dei clienti per adempiere le normali operazioni derivanti da obbligo di legge o contrattuale. In qualunque momento potrà esercitare i diritti di cui all'art. 7 D.Lgs n.196/2003 Il Titolare del trattamento è la scrivente società. L'informativa completa può essere richiesta a info@mutina.it.

DIRITTO APPLICABILE E FORO COMPETENTE

20. Ad integrazione delle presenti condizioni generali di vendita trova applicazione il diritto italiano compresa la convenzione di Vienna delle Nazioni Unite sui contratti di vendita internazionale di beni mobili del 11/04/1980.
21. Foro competente per tutte le controversie relative alla vendita di prodotti da parte del venditore e dei rapporti connessi a tali vendite è quello della sede del venditore.

GENERAL CONDITIONS OF SALE

GENERALITIES

1. The present general conditions constitute an integral part of all sales contracts tile entered into by Ceramiche Mutina S.p.a.
2. Accessory agreements, modifications and additions to the sale contract will only be effective if in writing.
3. Any general conditions of sale of the purchaser are rejected.
4. Measurements, weights, illustrations, descriptions, drawings and features in all our catalogues, price lists, sample collections and additional advertising matter, are considered as purely guideline and not binding.
The shade differences and some imperfections between the plain tiles and the trims are to be considered as positive features of an artistic production.
The caliber chart refers to the items' real sizes for the collections the chart is reported for.
5. The contract is settled when the seller gives written confirmation of an order proposal from the purchaser or - within the delivery terms indicated in the order proposal - makes delivery of the goods ordered.

ORDERS / DELIVERY

6. The seller expressly reserves the right to make partial deliveries for each order.
The purchaser cannot refuse delivery representing partial execution of the order.
7. The place of fulfillment of the obligation to deliver is the seller's premises with the delivery of the goods to the first carrier to be delivered to the purchaser.
The risks is transferred to the purchaser from the delivery of the goods to the first carrier for sending to the purchaser.
8. The delivery terms are only indicative.
The seller must deliver the goods within a reasonable time after the conclusion of the contract.
The term is considered to be respected even with a partial delivery of the whole order.
9. If the purchaser fails to collect the goods within the agreed time by the carrier or at the latest within 15 days of making the goods available, the seller will be deemed free of any delivery obligation and may otherwise dispose of the goods.

PAYMENTS

10. The prices in the invoices will be those listed in the price list current at the date of the conclusion of the contract.
Estimate has not to be considered a contractual declaration.
11. In the case of delay in the total or partial payment of an invoice, the seller, reserving his all other rights, may suspend any further delivery even if these may be due in consequence of other contracts and also claim the immediate and entire amount of all material ordered or have such payment guaranteed in some other way.
12. Legal interests will be charged on late payments, without prejudicing any other action.

RETENTION OF TITLE

13. The title to the goods delivered shall be vested into purchaser only at the time of full settlement of the price of the respective sale, increased by delay interests due, if any.
The purchaser undertakes not to sell material not paid for and to keep it at the seller's disposal.

GUARANTEE

14. The purchaser loses the right to claim for a fault or defect of the goods if he does not give the seller written notice within 8 days from the receipt of the material.
Claims for missing goods and for supplied goods not in conformity with those agreed must be made upon receipt.
The purchaser loses the right to claim for any fault or defect in the goods if the notification does not specify the exact nature of the fault or defect or if does not allow the seller the opportunity to examine the goods or have them examined by an authorized representative.
After laying, processing or other modifications the purchaser always loses the right to claim for defects or faults in the goods.
The temporary conservation of an object of sale which does not comply with the contract take place at the purchaser's cost and risk
No fault or defect of the goods can be asserted in order to avoid or delay payment due.

INTELLECTUAL PROPERTY RIGHTS

15. Except for specific authorization to be requested from time to time, the purchaser cannot use the "Mutina" trademark on his catalogues, price lists, websites, social network or exhibition stand.
16. Except for specific authorization to be requested from time to time, the purchaser cannot use on his catalogues, price lists, websites, social network or exhibition stand any photo or image taken from the catalogue or from the seller's website or otherwise owned by Ceramiche Mutina S.p.a.
17. Authorization to the seller must be requested from time to time with specific indication of the sign, the photo or the image to be used, as well as the specific context of such use.
18. In order to protect the prestige and reputation of the "Mutina" trademark, the purchaser undertakes not to resell the goods purchased through the online sales channel, nor to resell the goods purchased at prices below cost or resellers of lots on sale.
