PREVIEW 2023

LA COLLEZIONE GEMSTONE È ISPIRATA ALLE PIETRE SEMIPREZIOSE PIÙ ELEGANTI CHE LA NATURA HA SAPUTO CREARE NEL CORSO DEI MILLENNI. SUPERFICI IN GRANDE FORMATO CHE ABBRACCIAANO UNA NUOVA IDEA DI LUSO, CHE PRIVILEGIA LE FORME ORGANICHE E I MATERIALI PIÙ RARI E SOFISTICATI. IL DESIGN INCONTRA L'IDEA DI UNA BELLEZZA NATURALE, NELLA QUALE LE SORPRENDENTI SFUMATURE DEGLI ONICI E LE PROFONDITÀ DEI CRISTALLI COLORATI DISEGNANO PAVIMENTI INEDITI E QUINTE SCENOGRAFICHE PER GLI SPAZI DELLA CASA E DELL'OSPITALITÀ.

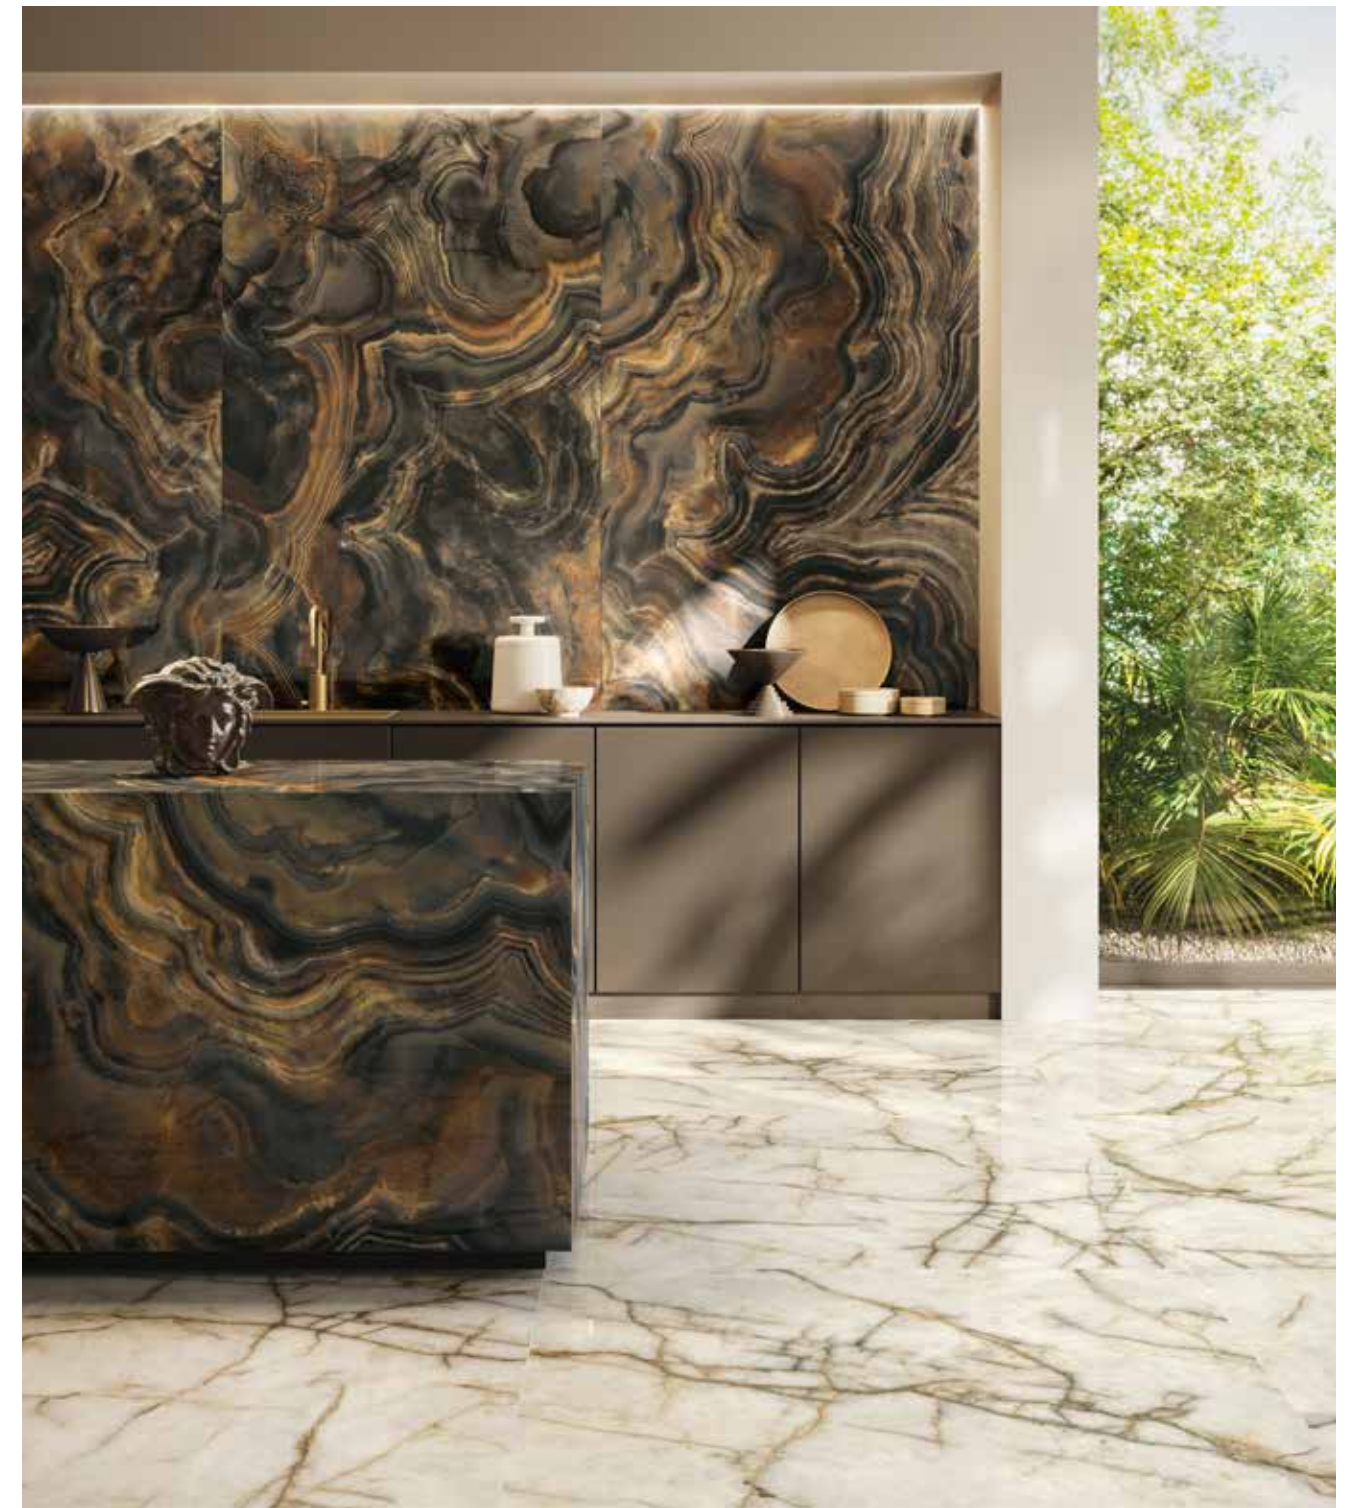

The Gemstone collection is inspired by the most elegant semi-precious stones created by the forces of nature over millions of years. The large-format surfaces embrace a new idea of luxury that favours organic forms and the rarest and most sophisticated materials. Design goes hand-in-hand with the concept of natural beauty, where eye-catching onyx hues and deep crystal shades are used to create original floors and feature walls in residential and hospitality spaces.
