Oggetto: Jacuzzi® – 2026 Baths & Showers Price List and Catalogue Updates

Dear Jacuzzi® Partner,

we are pleased to announce the new **Baths & Showers – 2026 Collection** price list, effective from **7 April 2026**, with **no price changes** and with important updates and innovations.

In **April**, shipments of the printed **2026 Baths & Showers price list and catalogue** will begin.

Below is a summary of the main 2026 updates.

J-Quiet™ Collection

The J-Quiet™ collection introduces **ONIRA 190**, a new bathtub designed to comfortably accommodate **two people**.

Featuring 12 J-Quiet™ Illumatherapy™ jets, touch controls and multicolour LED lighting, it delivers a gentle, enveloping massage supported by comfort functions such as water temperature maintenance and safety starter. J-Quiet™ brings Jacuzzi® hydrotherapy into the bathtub with an immersive sensory experience and a particularly quiet experience, for deep and continuous relaxation.

Available in **satin or gloss white**, also as a **bathtub-only version**, with **Ice** or **Smoked Quartz** panels and dedicated **LISA faucet**.

Available to order (codes active) – production from April.

Whirlpool Baths Collection

Within the Whirlpool Baths Collection, **Skylounge®** introduces new panels featuring a **3D polypropylene fabric** with **embroidered thread logo**, an expression of **Made in Italy** excellence, available in **Taupe** and **Blue Navy colors**. A refined, tactile finish that enhances the design and makes the overall experience even more distinctive.

Available to order (codes active) – production from April.

Colors, materials and finishes

The 2026 Baths & Showers collection introduces new color and material options designed to further enhance the product aesthetics.

- **New panel finishes:** Ice and Smoked Quartz, replacing the previous Cement, Stone Grey and Oak finishes. The new **Ice and Smoked Quartz** panels will be available on **Swirlpool®** collection (Arga® 180), **J-Quiet™** (Onira and Silk) and **Whirlpool Baths** (Skyline and Sharp, MyWay collections).
- **New satin white**, available as both bathtub colour and panel colour, across all **Swirlpool®** models, J-Quiet™ (Onira, Silk), **Whirlpool** baths (Skyline, Opalia and Sharp, MyWay, Energy collections) and **Lounge Baths** (Onira).

Tapware

The new **LISA tapware** collection, with a contemporary and essential design, expands the offer with premium finishes: **AISI 316L Brushed Steel**, **Gunmetal Black (PVD)** and **Warm Bronze (PVD)**.

Solutions designed to ensure high resistance and long-lasting durability, in perfect harmony with the Onira product.

Accessories and updated wording

- **New click-clack sink waste plug kit:** new click-clack sink waste plug kits dedicated to the **Lounge Baths** collection have been introduced. They are **not compatible nor interchangeable** with the previous kits.
- **Waste plug finishes:** for **Anafi, Chic, Desire, Dalma and Silba**, the **standard click-clack sink waste plug** will be supplied **in the same finish as the ordered bathtub**. The **chrome version** will be available **only as an optional accessory**.
- **Perimeter lighting:** due to a range update, it is no longer available for the following models: Muse 180x90, Nova, Nova Stone, Aquasoul Extra (ref. code **94237010**); Aura Uno Corian®, Opalia Corian® (ref. code **94237080**); Aura Corner Corian®, Aura Plus Corian® (ref. code **94237090**).
- **Updated wording:** the price list now includes the wording **“With holes”**, to more clearly indicate the bathtub’s preparation for tapware installation. Depending on the model, the faucet may be **included as standard** or **selected and added as an accessory**.

For any further information, please contact your Area Manager and agent.

Best regards,
Marketing Office
