Alle Produkte in dieser Preisliste sind handgefertigt: daher ist jedes Stück als ein Unikat zu betrachten. Kleine Unterschiede in Gewicht, Größe oder Farbe sind nicht anfechtbar. Das Unternehmen behält sich das Recht vor, die technischen Datenblätter und Eigenschaften der Artikel jederzeit und ohne vorherige Ankündigung zu ändern. Es ist grundsätzlich vor der Installation zu überprüfen, ob die mitgelieferten Schrauben und Befestigungsmaterialien mit der Art der Wände/des Trägers kompatibel sind. Der Installierende muss die Kompatibilität des gelieferten Befestigungssystems prüfen und gegebenenfalls ein geeignetes System auswählen. Die domovari GmbH haftet nicht für direkte oder indirekte Sach- und/oder Personenschäden, die durch Unterlassung entstehen.

Tutti questi materiali sono realizzati attraverso lavorazioni artigianali: pertanto ogni pezzo è da ritenersi un pezzo unico e le piccole differenze di peso, misura o colore non possono essere motivo di contestazione. L'azienda si riserva di cambiare schede tecniche e caratteristiche di funzionamento degli articoli in ogni momento e senza necessità di preavviso. E' di fondamentale importanza verificare che le viti in dotazione siano compatibili con il tipo di parete/supporto. La caduta accidentale del prodotto può causare lesioni da compressione/taglio. L'installatore deve provvedere al controllo della compatibilità del sistema di fissaggio fornito e eventualmente scegliere un sistema idoneo. La domovari GmbH non risponde di danni diretti o indiretti a cose e/o persone causati dall'inadempienza a tale verifica.

All the products in this price list are handmade: therefore each piece made is unique. Small differences in weight, size or colour are not contestable. The company reserves the right to modify the technical data sheets and characteristics of the articles at any time and without prior notice. It is always necessary to check before installation that the screws and fixing materials supplied are compatible with the type of wall/support. The installer must check the compatibility of the fixing system supplied and select a suitable system if necessary. **domovari GmbH** is not responsible for any direct or indirect damage to property and/or personal injury caused by omission.

Tous les produits de cette liste de prix sont fabriqués à la main : chaque pièce est donc unique. Les petites différences de poids, de taille ou de couleur ne sont pas contestables. La société se réserve le droit de modifier les fiches techniques et les caractéristiques des articles à tout moment et sans préavis. Il est toujours nécessaire de vérifier avant l'installation que les vis et le matériel de fixation fournis sont compatibles avec le type de mur/support. L'installateur doit vérifier la compatibilité du système de fixation fourni et choisir un système approprié si nécessaire. **domovari GmbH** n'est pas responsable des dommages directs ou indirects aux biens et/ou aux personnes causés par omission.

Todos los productos de esta lista de precios están hechos a mano: por lo tanto cada pieza es única. Las pequeñas diferencias de peso, tamaño o color no son discutibles. La empresa se reserva el derecho de modificar las fichas técnicas y las características de los artículos en cualquier momento y sin previo aviso. Siempre es necesario comprobar antes de la instalación que los tornillos y materiales de fijación suministrados son compatibles con el tipo de pared/soporte. El instalador debe comprobar la compatibilidad del sistema de fijación suministrado y seleccionar un sistema adecuado si es necesario. **domovari GmbH** no se hace responsable de ningún daño directo o indirecto a la propiedad y/o daños personales causados por omisión.
