Service

CARE INSTRUCTIONS

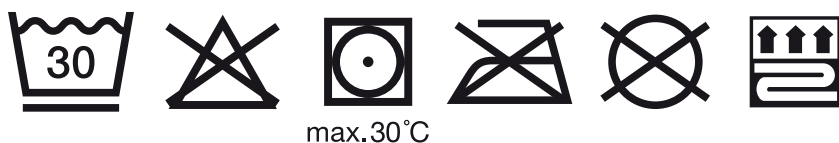

We recommend the use of neutral cleaners or mild soap suds. The absence of aggressive detergent prolongs the life of your SANWOOD product and protects the environment.

Care instructions for surfaces made of wood:
Wipe clean with a soft, dry cloth.
Please do not clean with abrasive detergent.

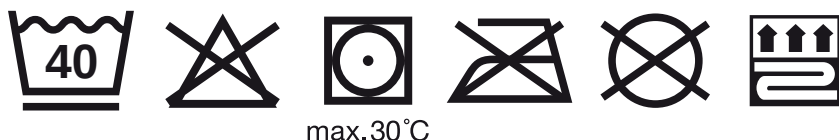

Care instructions for acrylic, glass and porcelain accessories:
Please do not wash in the dishwasher and do not bring the product close to abrasive or caustic material.

Care instructions for surfaces of free standing accessories:
Please do not clean with aggressive, abrasive detergent!!!

Care instructions for bathroom carpets made of 100 % polyacrylics:

Care instructions for bathroom carpets made of 100 % cotton:

Bathroom carpets have 3 years warranty.

We recommend the use of neutral cleaner or mild soap suds. To abstain from aggressive cleaning agents will extend the durability of your Sanwood product and protect the environment. Measurements and colours are without obligation. Product-, measurements and colour are under subject to change. Delivery capabilities of single items are with reservations. In a less degree colour differences are being determined by production. Changes of colours caused by light are possible. Misprintings are excluded from liability. All price lists in English appeared before the 1st April, 2015 are invalid.
