OGGETTO: Modifications to the price list 2024 actually in force

Dear Sirs,

As for the above-mentioned object, we are here to provide some changes which have been needed in some cases due to some price increasing and in some others to commercial decisions.

The changes in question are:

- **New model for the Victoria range of faucets;** due to some technical aspects the collection was submitted to some modification of its style which respect and lines and style proposed until today. The pricing will remain the same.
- **Eiffel faucets collection;** the collection will be removed from the commercial proposal, will not be anymore possible to buy this line from our catalogue.
- **Arcade and Lante furniture;** these products from the Arcade and Lante collections are subjected to an increasing of prices due to some increase which we have received from our suppliers as well.

This correction will be valid with immediate effect, the new prices and the new modification will be applied starting from the next orders.

Thanks for your attention,
Faithfully yours.
